TO THE COMMISSIONER OF PATENTS AND TRADEMARKS:

On December 5, 2001, applicants submitted original, signed documents to complete the filing of the above-identified patent application, in accordance with the Notice to File Missing Parts dated November 27, 2001. The period for responding to the notice is set to expire on January 27, 2002. Applicants submit that they timely filed the missing parts and paid all associated fees with the submission of December 5, 2001.

A complete copy of all documents previously submitted on December 5, 2001 are enclosed herewith, and include a copy of the original Transmittal of Missing Parts of Patent Application/Request for Recordation of Assignment, Combined Declaration and Power of Attorney executed by all inventors in this case, Assignment Cover Sheet, Assignment to Amnis Corporation, Notice to File Missing Parts, a check for \$475 which included the \$370 filing, \$65 surcharge, and \$40 assignment recording fees, and a return receipt postcard detailing these items.

A new check No. 5668 in the amount of \$475 is enclosed herewith to cover the fees which have apparently not yet been processed by the United States Patent and Trademark Office in light of the anthrax problems faced by the U.S. Postal Service in the Washington, D.C. area and the resultant delays in mail processing at the United States Patent and Trademark Office. Applicants resubmit these documents to insure that the application filing will now be completed.
